This is not a contract. This benefits summary presents plan highlights only. Please refer to the policy/ plan documents, as limitations and exclusions apply. The policy/ plan documents control in the event of a conflict with this benefits summary.

(1) Your group's benefit period is based on a Calendar Year which runs from January 1 to December 31.

(2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government. TMOOP must include deductible, coinsurance, copays, prescription drug cost share and any qualified medical expense.

(3) Services are provided for acute care for minor illnesses. Services must be performed by a Highmark approved telemedicine provider. Virtual Behavioral Health visits provided by a Highmark approved telemedicine provider are eligible under the Outpatient Mental Health benefit.

(4) Services are limited to those listed on the Highmark Preventive Schedule (Women's Health Preventive Schedule may apply).

(5) Medically necessary Air Ambulance services rendered by out-of-network providers will be covered at the highest network tier level of benefits.

(6) Coverage for eligible members to age 21. After initial analysis, services will be paid according to the benefit category (e.g. speech therapy).

Treatment for autism spectrum disorders does not reduce visit/day limits.

(7) Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.

(8) If you receive services from an out-of-area provider or an out-of-network provider, you must contact Highmark Utilization Management prior to a planned inpatient admission, prior to receiving certain outpatient services or within 48 hours of an emergency or unplanned inpatient admission to obtain any required precertification. If precertification is not obtained and it is later determined that all or part of the services received were not medically necessary or appropriate, you will be responsible for the payment of any costs not covered by your health plan.

(9) The Highmark formulary is an extensive list of Food and Drug Administration (FDA) approved prescription drugs selected for their quality, safety and effectiveness. The formulary was developed by Highmark Pharmacy Services and approved by the Highmark Pharmacy and Therapeutics Committee made up of clinical pharmacists and physicians. All plan formularies include products in every major therapeutic category. Plan formularies vary by the number of different drugs they cover and in the cost-sharing requirements. Your program includes coverage for both formulary and non-formulary drugs at the copayment or coinsurance amounts listed above. Under the soft mandatory generic provision, when you purchase a brand drug that has a generic equivalent, you will be responsible for the brand-drug copayment plus the difference in cost between the brand and generic drugs, unless your doctor requests that the brand drug be dispensed. Your plan requires that you use Alliance Rx Walgreens Prime or Giant Eagle specialty pharmacies for select specialty medications. To obtain medications for hemophilia, you must use a specific pharmacy, please contact member services for more details.

Health benefits or health benefit administration may be provided by or through Highmark Blue Cross Blue Shield or Highmark Choice Company, which are independent licensees of the Blue Cross Blue Shield Association.
